

## **The Leading Trade Show of the Yarn Industry Debuts Once Again in 2025!**

The International Istanbul Yarn Fair, an event that unites global yarn producers and textile industry professionals, is set to return in 2025. Organized by Tüyap Fair & Exhibition Group, the trade show is scheduled to take place at the Tüyap Fair Convention and Congress Center from February 26th to 28th, 2025. As a catalyst for shaping the future of the yarn industry, this fair will bring together international exhibitors and visitors.

### **The Remarkable Triumph of the 2024 Show**

The International Istanbul Yarn Fair in 2024 garnered significant attention, hosting 490 exhibitors and welcoming 15,267 professional visitors from 87 countries. The majority of visitors originated from Germany, Italy, China, and Russia, providing them with the opportunity to explore the latest advancements in the yarn industry. As a key influencer in the industry, this trade show facilitated multimillion-dollar new trade agreements among exhibitors and industry professionals.

### **A Greater Show with 2025 Targets**

In 2025, the Istanbul Yarn Fair will bolster its preeminent standing in the industry, featuring an excess of 500 exhibitors and attracting over 20,000 professional visitors. This trade show serves as an indispensable convergence point for both exhibitors and visitors, showcasing the latest sector trends and innovative yarn varieties. The International Istanbul Yarn Fair is set to present trendy, sustainability-focused, and innovative yarn types across a vast 50,000-square-meter exhibition area spanning eight halls in 2025. With an unwavering focus on growth, the trade show is poised to surpass its own attendance record once again this year.

### **Leading Companies at this Trade Show**

In the upcoming trade show, over 500 exhibitors are expected to showcase their products, and notable industry leaders such as SANKO HOLDİNG, SASA POLYESTER SANAYİ A.Ş., EREN PERAKENDE VE TEKSTİL A.Ş., KARESİ POLYESTER VE PETROKİMYA SAN. A.Ş., ŞİRİKÇİOĞLU MENSUCAT SAN. VE TİC. A.Ş., İSKUR TEKSTİL ENERJİ TİCARET SANAYİ A.Ş., AKSA AKRİLİK KİMYA SANAYİİ A.Ş. have already secured their participation. The International Istanbul Yarn Fair booth tickets are now on sale, drawing in a large number of professional buyers.

### **Products to Make a Significant Impact on the Global Markets**

The International Istanbul Yarn Fair showcases the most recent advancements and cutting-edge products in the yarn industry to professional buyers. Industry professionals and key decision-makers will closely monitor the latest trends at the trade show, while exhibitors will have the opportunity to introduce new products and services that can make a significant impact in the global markets.

Participate in this trade show to advance your business, engage with industry leaders, and gain firsthand insight into future trends!
